## Human IL-29 Protein, His tag (Animal-Free)

Cat #: PRP1917

Size: 5 µg/20 µg/100 µg/1 mg

---

### Product Information

	<b>Product Name:</b> Human IL-29 Protein, His tag (Animal-Free)		
<b>REF</b>	<b>Catalog Number:</b> PRP1917	<b>LOT</b>	<b>Lot Number:</b> Refer to product label
	<b>Purity:</b> > 98 % as determined by SDS-PAGE		
	<b>Storage:</b> Store at -20°C		<b>Preparation method:</b> E.coli
	<b>Shipping:</b> The product is shipped at ambient temperature.		

---

**Background:** Interleukin 29 (IL-29) is belongs to type III interferons group, also termed interferons  $\lambda$  (IFN- $\lambda$ ). Its induction of STAT3-STAT5 has also been displayed, albeit to a lesser degree. The STAT1 /STAT2 signaling cascade transpires as follows: once tyrosine residues on STAT1 and STAT2 are phosphorylated, these proteins dimerize and are subsequently transported to the nucleus.

**Sequence:** Amino acid sequence derived from Human IL-29 (Pro23-Thr200) (Q8IU54) was expressed with 6×His tag at the C-terminus.

**Protein length:** The recombinant Human IL-29 consists of 178 amino acids and predicts a molecular mass of 20.7 kDa.

**Biological Activity:** Measure by its ability to induce IL-8 secretion in HuH7 cells. The ED<sub>50</sub> for this effect is < 6 ng/mL.

**Endotoxin:** <0.1 EU per 1 µg of the protein by the LAL method.

**Formulation:** Lyophilized from PBS, pH 8.0.

**Storage Instructions:** Lyophilized protein product should be stored desiccated below -18°C. Upon reconstitution, the protein should be stored at 4°C between 2-7 days and for future use below -18°C. For long term storage it is recommended to add a carrier protein (5% HSA , 10%FBS or 0.1%BSA). Please prevent freeze-thaw cycles.

**Usage notes:** Always centrifuge tubes before opening. It is recommended to reconstitute the lyophilized recombinant protein to a concentration of 0.1-1 mg/mL using the buffer we provided, and keep at room temperature for at least 20 min to fully dissolve. Please avoid vortex vigorously.

**Note:** The product listed herein is for research use only and is not intended for use in human or clinical diagnosis. Suggested applications of our products are not recommendations to use our products in violation of any patent or as a license. We cannot be responsible for patent infringements or other violations that may occur with the use of this product.
